After a serious lightning strike issue in June, K9NS will return for the September contest. We are interested in M/S skeds on 6/2/222 AND JT65 TERRESTRIAL SKEDS ! Lets make some long haul tropo contacts ! We have big antennas and full power 6 through 432. Any reasonable sked request accommodated, including JT6M stuff around the 400-600 miles range on 6M. Drop me a private message if interested and I'll suggest some times. Jay W9RM (w9rm"at"yahoo.com) K9NS skedmeister

2008 Route 66 On The Air - Special Event - September 13-21, 2008
Each club participating in this event will attempt to keep their stations on the air as much as possible. However, each club may not have enough operators to to be on the air 24 hours a day. Band conditions and QRM will also affect the stations operations. If you do not hear a club station on the air, please be patient and try contacting them at a later time.
